The school will invoice you for a '**voluntary donation**' of \$50 per one child at school or \$60 per family of two or more, to assist us to provide these extras. Donations to the school are claimable on your tax returns and we all appreciate your support.

Welcome Parents/ Caregivers

Having arrived at school on Monday morning, I was blessed with a beautiful day and glorious mountain view.

Over the last few days I have spent much of my time meeting parents, students, catching up on procedures and working with my new staff.

I would like to thank everyone for their warm welcome and I look forward to a positive and supportive working relationship within the school, BOT and community during the term.
